Frequently Asked Questions

Will I have to pay for these services?

If you have Medicaid Fee-for-Service or Anthem Medicaid Insurance, you will not have to pay any additional costs for these services. Private insurance holders are subject to co-payments and co-insurance.

Where are these services provided?

Our services can be provided in office, the comfort of your home or any community setting, which includes: school, work or any other setting where you socialize.

What are the requirements?

To qualify for services, the recipient must demonstrate significant emotional/behavioral challenges that impair functioning in multiple settings because of a mental health diagnosis.

Do you conduct assessments/ testing to see if the recipient qualifies for a diagnosis?

Yes, you do not have to already have a diagnosis we will assess to see if you meet criteria for a diagnosis.

How do I get started?

Give us a call to schedule an appointment. If you do not meet criteria for any of our programs, we will refer you to someone who can help you.
